The Objectives of the Association are to act as an intermediary between Residents and other parties, to keep residents informed of matters of importance and recreation in and around the Village, and to promote the interests of Bar Hill.

Opinions expressed in this publication are not necessarily those of the Association. Anonymous letters will not be published, but names and addresses may be withheld. ADVERTISING

All matters relating to advertising should be addressed to the Advertising Coordinator bunty.waters@ntlworld.com. Quarter-page adverts cost £15.50 per month and must be submitted by the 1st of the month prior to inclusion. Maxi ads (£8.50 per month) and Mini ads (£5 per month) should be submitted by 15th of the month prior to their inclusion. Sizes: Maxi: 6 x 4.5 cm – 9 x 6 cm; Mini: 6 x 2 cm – 6 x 4 cm. Quarter-page ads are for local businesses and we guarantee publication, but this often results in a waiting list. To help overcome this, we provide maxi and mini ads which appear throughout the publication. We cannot guarantee their inclusion, though, due to restrictions of space.

HAPPY HOURS – NEWSLETTER

Wishing everyone a Happy, Healthy New Year, and hope 2014 will be a good one for all. As I missed the December issue there seems to be some catching up to do!

Our AGM was held at the beginning of November with the same Committee being elected, plus we welcomed the addition of Susan New. We held our Birthday Party during the month, with a good meal, and music by Ron Tee completed our enjoyment. We also had a jewellery sale by Jannine, with a chance to buy some lovely pieces as Christmas presents.

We donated £41.26 to the Poppy appeal and a collection in lieu of sending Christmas Cards raised £25 donated to Wood Green. We also received a donation of £50 in memory of Phyllis James sent by Jane, one of her Carers.

December saw our Christmas Party at the Moat House, where we were given a warm welcome and lovely lunch, with music by Tony Jacks. We had a free Raffle with extra prizes donated by Cambridge Building Society, and a bottle of whiskey from the James family, for which grateful thanks. A number of members also attended the afternoon Carol Service, taken by Barry and Pam and themed on "Christmas surprises".

Can I remind readers of the new **Silverline** which operates similar to Childline but for the elderly, especially those who are on their own, lonely, or have problems and don't know where to turn. Please ring – its confidential – and they're there to help: **0800 470 80 90.**

Skate Park

When you get a leaflet about the Skate Park, do take the time to fill it in. The Skate Park has been very important to our village. Before we had it, residents and visitors had to walk amongst young people using their skate boards around the shopping area and in other parts of the village.

The Skate Park has been a place where young people go in their free time to skate, to meet, to play their music (quite loudly) and to have food and drink. If they did not have this place, where would they go? Perhaps in places where residents would not welcome them. Certainly our Police officers have always felt the Skate Park was an important feature in deterring anti-social behaviour around the village. Since the Skate Park was built there have been few complaints about the behaviour of the young people.

When it comes to paying for a replacement, and maintaining it, careful thought needs to be given to what would be best for the village. The Parish Council did have a budget for maintenance but, unfortunately, as the wood aged and rotted it was not enough.
I wonder if they will decide to replace the ramps with metal frames which would not rot? The Parish Council receives money from South Cambs (which is what we all pay in Council Tax), and from rent from the Farmhouse and The Willows (at the entrance to the village). It seems very strange that South Cambs would not give a grant to maintain an existing facility but would give a grant for a new facility.

Lastly, I know that there is a group around the village which has raised funds through various events for improvements to the children's play areas and for the Skate Park. I would like to congratulate them on their efforts and wish them well in their future fund raising.

I would also like to ask the young people who use the Skate Park to be actively involved in discussions about its future and to participate in the democratic process in deciding what should be done.

Dear Editor

Ann Duce, Alison, Joanna and family would like to say a big thank you to everyone who attended Mike's funeral on Monday 13th January. It was a great comfort to them.
Ann would also like to thank everyone who sent cards and messages. A special thank you to Rev. Charles Mather for the lovely service, and to Sue and her team for the marvellous tea they provided.
Mike would have loved it all!
Kind regards

Skate Park

I'd like to express my thanks to everyone across the village who took the time to complete and return the survey I circulated in relation to the Bar Hill Skate Park.

While I'll be writing to people who responded individually, it might interest people to know that around 85% of those who responded supported the idea of there being a Skate Park in the village with two thirds of respondents wanting to see something in place within the next year, and a clear majority wanting it to be funded by a combination of Grants and Council Tax.

A more detailed breakdown of the results is available at: http://goo.gl/VOyRBu (via Google Drive, that's V – O (the letter) – y – R – B – u).
I'd like to thank everyone again who responded to the survey.

Cllr Andy Pellew, andy.pellew@gmail.com

Skate Park

There seems to be a feeling among some skate park supporters that the football and cricket clubs get special treatment from the BHPC. Both of these clubs have their own committees; both have fund raising activities; they spend a lot of time working on their pitches and they pay for playing their matches.
Please – get yourselves organised so you can get an asset you can help look after.

Jon York, BHFC President.

Dear Editor

Can I ask, through the BHN, that residents kindly stop putting food on the ground, supposedly for the birds? I find that my dog finds and eats bread, kebab remains etc., this has caused a lot of problems with her digestion and expense for me at the vet. This food is also taken by rats and other rodents looking for food, so please, it would be safer in your green bin.
Regards

Children in Need

We would like to express our **biggest** thanks to all who helped raise a total of **£670.89** for BBC Children in Need. Thanks to everyone who attended our fundraising fair on 9th November and all the volunteers who helped on the stalls. Huge thanks to everyone who donated prizes or their hard-earned cash to help raise money for such a worthwhile cause! A mention also to Chris Howse, Craig Driver, Ryan Szembel and Jonathan Barber who helped raise money in a very painful way by having sponsored leg, back and chest waxes.
We will start planning a different fundraising event later in the year. If you would like to help, please visit our Facebook page or send us an email: bhcinfundraising@gmail.com.

NEIGHBOURHOOD WATCH

GOOD NEWS: Bar Hill continues to be a relatively safe place to live – **BUT** – we should not be complacent as there has been a spate of incidents across the area recently:

1 House burglaries – often via a rear window.
ADVICE:
- Install a burglar alarm, and set it!
- Make your house appear lived in when you are out by using a radio, and lights on timers for after dark (currently late afternoon).
- Have lighting in front of your house and motion activated lights to the rear.
- Keep gates locked and use trellis along fences to hinder intruders.

2 Shed burglaries – valuable tools are taken or implements used to break into the house.
ADVICE:
- Fit a good padlock and simple shed alarm (e.g. £15 from Argos).
- The police recover large quantities of stolen items but often have difficulty reuniting them with the owner so:
  - post code property with a permanent marker or UV pen;
  - record serial and model numbers;
  - register items on http://www.immobilise.com

3 Stealing Catalytic Convertors – these have scrap value and vehicles with a high ground clearance such as delivery vans are particularly vulnerable.
ADVICE:
- If you see anyone working under a vehicle, and you have any suspicions, report it to the police immediately.
- Businesses may wish to consider a marking and registration system, or ring 101 to find out when the next catalytic converter marking day is taking place locally.
- Alternatively a garage could advise about a catalytic converter security device.

PLEASE, help the police help us – keep your eyes and ears open and report any suspicions immediately on 101 (or crime in progress on 999).

Caring Communities Counteract Crime.

CHURCH MATTERS

KNIT AND NATTER...

...is on Thursday afternoons from around 1.15–3.15pm in the Octagon. We are a friendly and active group that produces hats, scarves and mittens for "Operation Christmas Child" shoe boxes. We make lots of other things too. By joining us, you will meet new friends as well as provide support to organisations that need voluntary help.

We have several outings a year, occasional lunches, coffee mornings, a Garden Party in August and a Christmas lunch.

You don't have to be able to knit; you are very welcome to come and "natter" and enjoy a sociable afternoon. For further information contact Sue Kenchington on 01954 780260.

Everyone is welcome of any faith, or none.

BRING YOUR OWN CRAFT GROUP

The group meets monthly on a Saturday afternoon in the Octagon, from 2.15–4.30pm. It was started to provide an opportunity for us to spend a quiet couple of hours working on our craft projects in good company, since we often find that we have too much to do at home to devote much time to our creative hobbies, despite the benefits we derive from them. We usually leave feeling more relaxed, with the added satisfaction of having made progress on our projects.

We are always happy to welcome new members whether they are experienced crafters or just trying something new, so do come along. Remember to bring the materials and equipment you will need for your craft project. We will provide the company and refreshments. We ask for a donation of up to £1 to cover costs.

Provisional dates for 2014: 22nd February; 22nd March; 26th April; 24th May; 28th June; 19th July (in the Church); 27th September; 25th October; 22nd November.

For more details contact either Wendy on 01954 782041 or Sue on 01954 200875.

Young Peoples Evening Worship Service

This informal service is for adults and young people and uses contemporary music and format. This is held at 6.30–8.00pm on the 2nd Sunday of the month, starting with cake and drinks!

BAR HILL CHURCH HOMEGROUPS

At Bar Hill Church we have six small groups who meet regularly both weekly and fortnightly, with a mixture of evening and daytime meetings. We hope that the groups facilitate discipleship, mission, fellowship, evangelistic outreach and pastoral care. We study a variety of popular biblical material; recent studies have included bible studies on the books of Romans and John as well as deeper insights in to the topics of prayer and worship. The current topic of study is 'praying through the Psalms'.

If you are interested in joining in the fellowship of a small group within the village please contact me at the Bar Hill Church office to discuss placing you in a suitable group.

With Blessings in Christ

Jenny Patton – Small Groups Coordinator

MESSY CHURCH...

...is for pre-school and primary age children and their carers. They meet in the Octagon from 3.15–5.15pm on the 3rd Wednesday of each month.

Each session begins with craft activities followed by a story & song on a Bible theme, and ends with a simple meal. Come along!

SWAVESEY HALF MARATHON IS BACK SUNDAY 2nd MARCH

Last year's popular half marathon is set to return to the streets of Swavesey on 2nd March 2014.
Staff and students at Swavesey Village College will be offering support on the day, hoping to make the event as big a success as it was heralded last year.
The half marathon, and parallel five mile fun run, are open to all levels. The five mile run is for over-13s, and the half marathon over-18s.
Entry fee for the half marathon is £15 affiliated members, or £17 non-affiliated; five mile run is £5 for under-16s, or £7 for 16 and over.
Funds raised by will go to support this year's school's charity, Sue Ryder, as well as to developing the outdoor education park. The Sue Ryder Thorpe Hall Hospice was involved in the care and support of Swavesey's former principal Martin Bacon, who completed the run last year before sadly losing his battle with cancer.
The course starts and ends at Swavesey Village College and takes runners through the picturesque village and RSPB Fen Drayton Lakes nature reserve, finally returning along the guided bus- and cycle-way (although not on the bus-way itself).
Registration is now open and application forms and information can be found online at www.swaveseyhalfmarathon.org.uk. You can also follow us on Twitter @SwaveseyHalf.

ROYAL BRITISH LEGION

Since our last meeting in November we have sadly lost two members, Mr Norman Rolfe and Mr Mike Duce. Both were long serving Members of The Legion, but more importantly they were really nice men that their families could be proud of.

As we are now in a New Year we would welcome new members. We meet on the 4th Thursday of each month at 8pm in the Meetings Room at the Octagon.

Memberships are no longer restricted to Service or EX-serving men and women.

Mary Shubotham, Secretary; 01954 781553.

FRIENDS OF BAR HILL LIBRARY

A change of direction: We are still considering the way forward now that some members of the committee have decided to stand down. It is time for new ideas about how to encourage use of the Library and ensure its place in our community. If you would like to be involved, give your name to staff in the Library to pass on to us.

New Year Social: The annual cheese and wine party was held on 17 January. We get together then to cheer us all up during the dull days after Christmas. There was a large turnout and a lot of friendly rivalry as we tried to assign personal treasures to their owners, talked over refreshments and strove to beat each other in the quizzes. It was an excellent start to the year for us.

Joining the Friends: We do thank our subscribers for their continuing support and encourage others to join us to help ensure that our Library continues to be an asset to our village. Ask Library staff if you would like to join the Friends.

Coffee mornings: To meet friends and lots of others, come along to a coffee morning in the Library. These are held on the first Thursday of each month from 10 am to noon. That means 6 February 2014 is the next date to note in your diary.

STORYTIME AT BAR HILL LIBRARY

Stories and pictures, rhymes, songs and craft activities
10.30 am at Bar Hill Library,
on the second and fourth Saturdays in February.

Storytime invites small children and their parents or carers to the Library. Open to children of pre-school age and their older brothers and sisters who are accompanied by an adult, it offers half an hour of book -based fun twice every month.

Often there is a theme – we have featured the weather, insects and things that go wrong recently, exploring those with stories, songs and craft. The children have enjoyed colouring pictures, and have created their own insects – some of which are on display – and weather charts for themselves.

This free event opens up the treasure that books offer, introducing young children to their local library and revealing to them all that is to be gained from learning to read. There is no need to book; just come along.

BAR HILL HOME CARE PROVIDER RELOCATES TO NEW OFFICE

Midas Care Ltd, recently appointed Cambridgeshire County Council's strategic partner for care, moved from The Willows, Bar Hill, where it was based for three years, to Waterbeach in January 2014.

Midas Care would like to thank the Bar Hill community for the support and generosity shown during the company's time in the area.

Although it has relocated, Midas Care will continue to service the Bar Hill district. Matt Sumner, Managing Director of Midas Care Ltd, said "It was a difficult decision to leave Bar Hill, but we are excited about the move to Waterbeach which will provide our staff with a fantastic working environment and facilities. We look forward to our continued service in Bar Hill, and remaining part of the community."

New details: Midas Care, Pegasus House, Pembroke Avenue, Waterbeach CB25 9PY. T: 0844 406 1008.

FEBRUARY BULLETIN FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

Firefighters are asking residents to take care while cooking. Valentine's Day means more people may turn to the kitchen to cook their way into a loved one's heart, and combined with Shrove Tuesday and National Chip Week, 17–23 February, there are many potential cooking distractions this month!

Here are some handy tips for staying safe in the kitchen:

- never leave cooking unattended and avoid leaving children alone in the kitchen when cooking on a hob;
- keep tea towels and cloths away from the cooker and hob;
- avoid drinking alcohol to excess when cooking;
- take care when cooking with oil, especially in deep fat fryers – it sets alight easily;
- don't tackle a fire yourself – get out, stay out and dial 999.

Like our Facebook page: www.facebook.com/cambsfrs, follow us on Twitter @cambsfrs.

To find out if you are eligible for a free home fire safety check, call 0800 917 99 94.

The new 111 service: this is now up and running in Cambridgeshire. There may be a few "teething troubles" until staff and patients are familiar with the new arrangements. If you ring the old Urgent Care Cambridge telephone number, your call will be diverted to 111 who will transfer you to the appropriate out of hours service.

Pharmaceutical Needs Assessment Consultation: this is *your* chance to have a say on local pharmacies and dispensaries in Cambridgeshire. The local Clinical Commissioning Group and Cambridgeshire County Council are running a consultation period until Friday 21st February 2014. Pick up a questionnaire and prepaid envelope from our dispensary or pharmacy or go to www.cambridgeshireinsight.org.uk/JSNA/PNA. The key findings from the initial consultation with GPs, community pharmacies and patients were that services provided locally were excellent and adequate for the area and no need was identified for new service providers. We encourage you to read a copy of the consultation document and give your views.

Quit Smoking Campaign: why not make 2014 the year you finally give up smoking? Public Health England have launched a new campaign to help you quit, with a range of support ideas alongside the face to face support offered by our nurses and pharmacy staff. Please do visit the pharmacy or make an appointment with one of the nurses. They can explain the options available, and other tips to make your resolution successful.

It opened in September 1989, and to celebrate its 25th year, 2014 will have many fundraising events, including a Quiz Night on 28th February, and the Bootleg Bee Gees on 22nd March, both at Over Day Centre – see the front page of this BHN for more details on the latter.

If you've had any connection with the Day Centre over the years, we'd love to hear your stories and memories. If you have any photos you could add to our collection, they would be gratefully received. We can copy them if you don't want to part with them!

Are you a local business that would like to sponsor the Day Centre?

Can you spare some time to support some of our fundraising events, such as Quiz Nights, sponsored walks or dance evenings?

If so, please get in touch with **Sarah** at the Day Centre on **01954 231807**.

PARISH REPORT FROM YOUR COUNTY COUNCILLOR JOHN REYNOLDS

REPAIRING OUR WORN OUT ROADS

We all want to see our village roads and footpaths maintained at a reasonable standard. To this end I have been engaging with County Officers over the past four years to allocate funds for more road and path repairs. There has been some success with the full resurfacing of the perimeters road and resurfacing of many of the roads off.

However there is still much to do and I now have good news that funding has been provided to surface dress the following roads this summer; The Brambles, Chestnut Rise, Hillcrest, Watermead, Appletrees, The Spinney, Field View, Pheasant Rise, Oatlands Otter Close and Partridge Drive.

Before this work is carried out patching etc will need to be carried out. The white markings that the residents can see are the areas to be pre-patched prior to surface dressing in the new financial year.

The patching process removes the top 50mm of surface and hot material is laid and rolled until level. This provides a sound base for the surface dressing process that seals the road from water ingress and provides better skid resistance and should give the carriageway another 5-7 years life.

Patching programme will start in January/February and the surface dressing programme will be in the summer.

If you have any issues, please contact me at:

Little Acorns Extended Day Care

Little Acorns took over the out of school club at the beginning of January 2014. We are now registered to care for children age 2–11 years, from 8am – 6pm term time and during the school holidays. Little Acorns extended day care is the umbrella name for Little Acorns Pre-School and Mighty Oaks @ Little Acorns (the out of school club).

Flexible Hours can be booked any time during a week day. [Otherwise a normal pre-school session is 9–11.30am, or 12.30–3pm; and afterschool care starts at 3pm or 3.15pm). Our current cost is £3.60 per hour. There is a sibling discount rate. Children can access 15 hours per week of free sessions under the Early Years Funding Scheme in the term after they become 3.

Families on Income support (or who fulfil the criteria for free school meals) may also be able to access 15 hours per week of free sessions for their 2 year old, via the 'Free Twos' Funding. The children's centre will be able to advise you about this.

We can be found next door to the primary school along the concrete track which leads to the farmhouse building. Please feel free to drop in for a look around. All age groups of children have access to all three rooms in the building and the garden area throughout the day. We offer a wide variety of activities and resources, set out into zones, where children can explore, investigate, learn, create and have fun.

We employ qualified and experienced staff who are caring and dedicated team members. If you would like more information or a registration form please email us at littleacorns.barhill@ntlworld.com or at mightyoaks.barhill@virginmedia.com or phone Sally or Gail on 07851 803083.

The building can also be hired out at weekends/ evenings for parties and family events. Please email us for a booking form if you are interested – you do not need to have a child at the pre-school to use this facility.

Village Hall 01954 782892

Our ethos is to ensure high quality care by focussing on each child's ability and interests. Our key person and buddy system enables our team of highly qualified staff to plan activities to reflect the needs of all the children. We offer fully flexible care between 9am–3pm, for children aged 2–5yrs and are registered for Nursery Education Funding (NEF) as well as the new government scheme 'Funded 2's'.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to discovering worms, ladybirds and other creatures that share the setting. We are proud to offer many additional learning experiences for your child with regular visitors to the setting as well as exploring the community around us. The setting is intimate and comfortable and provides a safe environment for your child to learn and develop with their peers. The indoor area has a quiet corner for reading as well as a range of toys and equipment for your child to discover. We have strong ties with the community through visits to local businesses, the library and the church.

Parent/Carer Partnership: To fulfil our commitment to meeting children's individual needs we use communication diaries as part of our outstanding parent/carer partnerships. Please contact us on the above telephone numbers or: enquiries@barhillpreschool.co.uk.

Our setting manager as well as session allocation coordinator, Sarah, and her deputy Michele are always on hand to support you through the registration process. We look forward to meeting you and your child.

COUNCILLOR CHAT

MONTHLY REPORT: FEBRUARY 2014

Government Grant settlement

Information released by the Department for Communities and Local Government in December confirmed South Cambridgeshire District Council's (SCDC) grant settlement for 2014–15 will be cut by 24%. Figures released for 2015–16 suggest a similar cut, but more information is needed before the full effect of the reduction is known.

Information about additional grant funding, known as New Homes Bonus, shows the Council could receive up to £3.2 million during 2014–15. This funding is provided to high growth areas to help deliver new homes, facilities and infrastructure.

Council Housing

A help to downsize scheme is now operating for tenants affected by welfare reform changes. The number of SCDC tenants affected has reduced by around 20% since the beginning of 2013.

Paying rogues to take waste away leads to hat trick of prosecutions

Residents are reminded to only use ***registered traders*** to take away bulky waste, after three people were prosecuted for dumping in the countryside.

South Cambs DC to lobby Government to give Public Houses greater protection

Council leaders are to lobby the government for changes to national legislation which could give pubs greater protection from development.

The call follows the recent lawful conversion of the closed Pear Tree Pub in Hildersham to a furniture shop, even though it had been successfully listed by the local community as an 'asset of community value' last year. Following a meeting of SCDC's planning committee in January, the Leader of the Council asked for a report to be presented to the planning policy and localism portfolio holder to try and strengthen government legislation aimed at protecting important village assets.

Assets of Community Value Regulation 2012, which was part of the government's localism bill, currently gives communities up to six months to table a bid for a listed asset if it is put up for sale. However, no protection is offered if a change of use is allowed by national planning rules.

The Council will be asking for the government to enable local communities to have more of a say to ensure listed assets can be retained in rural villages – one of the aims of the government's Right to Bid scheme.

Nationally, the number of pubs is declining and the Council's call for action follows the Campaign for Real Ale's plea to government for change of planning policy. Under current planning legislation a pub can lawfully be converted to a shop without further planning permission.

Parish Council Web Site – www.barhillpc.org.uk. This will keep you up to date on current affairs in the village, including meeting minutes and agenda.

Parish Councillors

It is with regret that Brian Gillinder resigned as Chair of the Parish Council in December. We would like to thank Brian for his hard work over the last two years as Chair and we wish him well. We have now voted in a new Chair, Mrs Bunty Waters, whom I'm sure many of you know, and who we know will do a sterling job on behalf of the Council.

Bar Hill Skate Park

For many years the Parish Council has actively supported the existence of a skate park, in financial terms, and over the last five years has spent in excess of £12,000 on maintenance alone.

We are interested in the concerns of the local residents but the Parish Council has to be mindful to act within health & safety policies.

Bar Hill Parish Council took the action of taking down the skate park on health & safety grounds. This was unintentional as only some boards from the ramps were contracted to be removed but when work commenced the ramps collapsed because of the rotting wooden internal structure. In coming to this decision, we considered and acted upon reports from the Police, the Fire Service and an independent Play Inspector (who works in conjunction with ROSPA).

However, after the Parish Council meeting of 16th January the Parish Council is pleased to say that we are working towards a new skate park for the village.

It is with regret however, that against this background, certain individuals have chosen to post abusive threats and comments to the Parish Clerk, Councillors and Contractors. Also graffiti has appeared in areas of the village. This sort of behaviour cannot be accepted.

Parish Council Meetings

The next Parish Council meeting will be held on Thursday 20th February at 7pm in the Parish Council Office. Members of the public and press are welcome to attend. There is also an Open Forum at the start of each meeting for residents to put across their views.

CAMBRIDGESHIRE HEARING HELP

Cambridge CAMTAD (Campaign for Tackling Acquired Deafness) changed its name to **Cambridgeshire Hearing Help** in January 2014. There is no change to our services.

We run hearing help sessions in 42 venues in Cambridgeshire. At these drop-in sessions volunteers offer advice on any aspects of hearing loss and maintain NHS hearing aids by distributing batteries, cleaning and "retubing" aids. There is also a service to housebound people and those living in residential care. It is not generally recognised that hearing aids need maintenance every 3–6 months, when the small plastic tube that links the mould with the mechanical part needs to be replaced to maintain the quality of sound. By keeping hearing aids in good condition with routine maintenance available locally, hearing loss becomes a minor inconvenience not a major barrier to communication. This helps to keep people sociable and makes a significant contribution to their quality of life. We also offer a telephone advice service, talks, training and information on hearing help assistive technology.

From 1st January 2014 our website will be www.cambridgeshirehearinghelp.org.uk and we can be contacted by e-mail on enquiries@cambridgeshirehearinghelp.org.uk.
Our telephone number remains 01223 416141

BAR HILL COLTS VIXENS U11 TEAM

The Vixens play in the Cambridgeshire S-Tech Girls County Football (Under 11 South) League. What better way to find out why Colts' grass roots football is thriving in Bar Hill than to ask the girls for a sentence each as to why they want to be part of it.

I love playing for Bar Hill Colts U11 Vixens because...

"It matters to me and it's really fun, especially with the other girls, it's the best football team I've been on and I wouldn't quit." Shammah Nhamoinesu, 9 (Captain)

"It helps me learn more things about football. It's really enjoyable and all of my good friends always support and the managers are very very funny." Alisha Marsh, 11

"Football makes me happy, it is fun and I love playing in a game with my Vixen team mates." Roxanni Papamihail, 10

"You just have to try your best, that's all anyone can ask for." Lisa Murphy, 10

"We're all good friends so if we get upset we know we'll have the rest of the team to support us." Tilly Knott, 10

"They help me train better and I enjoy playing football with my friends." Amelia Gargiulo, 9

"I like to play football, it helps me keep fit and we all work well as a team." Emily Hart, 9

"I am sort of a tomboy and my favourite sport is football and that is why I am part of the team." Chloe Satchell, 8

"It is fun and the managers are the best ever! There could never be a better team than the Bar Hill Vixens!" Charley Satchell, 10

"It's great to play in a team with my friends." Katie Waldron, 10

"The training is really good fun." Emily Waldron, 8

"We all get along very well and everybody plays fair." Isabel Bryant, 9

"We work together as a team, have fun and it shows that girls can play football." Freya Goddard, 9 (Vice Captain)

"We have great coaches and a great bunch of players." Georgia Wilson 9

"I'm in a team with my close friends and we usually win!" Olivia Merry 10

"It's really fun, Kris and Pete push us hard to be good players now and in the future." Daisy Brumpton 10

did you know...

A baby turkey is called a 'poult'. A group of lions is a 'pride'. A group of geese on the ground is a 'gaggle' but in the air is a 'skein'. A gathering of foxes is a 'skunkel'; of quail a 'covey'. A baby kangaroo is a 'joey' and a baby fish is a 'fry'.

– THERMAL IMAGING CAMERAS – IDENTIFY HEAT LOSS IN YOUR HOME

South Cambs District Council has two thermal imaging cameras available for parish councils and local volunteers in the Sustainable Parish Energy Partnership to borrow free of charge for a period of one or two weeks (normally Thursday to Thursday). The cameras can be used to identify heat loss in homes and other buildings.

It is intended that the camera is used to do surveys on as many homes as possible, and so parish councils and volunteer groups wishing to borrow the camera are asked to recruit volunteer camera operators who can survey their own homes, and preferably others too.

The Parish Energy Project Officer runs free training sessions for volunteers – normally on Thursday evening – as needed.

If you are interested in having a volunteer survey your home, or would like to volunteer yourself, please call Bunty Waters on 01954 201421 and leave your contact name and number.

BAR HILL RESIDENTS ARE REMINDED TO "CHOOSE WELL THIS WINTER"

Winter brings coughs, colds and flu so it is good to be prepared. Make sure you have a supply of remedies at home to help care for you and your family. If you need regular medication, make sure you have enough. Cambridgeshire and Peterborough Clinical Commissioning Group (CCG) is asking residents to familiarise themselves with the range of local health services available, and which illnesses and injuries they treat:

- **Pharmacies** can help with bugs and viruses, skin conditions, allergies, pregnancy testing and stopping smoking.
- **GPs** can help with backache, earache, painful coughs, mental health conditions and any illness or injury that won't go away. Your GP has an out-of-hours service. Ring your GP's number and you will either be put through or hear a message telling you who to call.
- **Walk-in centre or minor illness or injury units** can help with minor burns and scalds, bites and stings, strains and sprains and minor eye or ear problems.
- **YOU** can look after colds, coughs, sore throats, hangovers, tummy upsets and grazes with a well-stocked medicine cabinet.

SHOPPING SERVICE

This service is for Cambridgeshire residents aged 60 and over who may have difficulty doing their own shopping. Many supermarkets now offer online shopping but unless you have a computer, you cannot take advantage of this convenient service. Phone your order to our Shopping Service and we will make arrangements for delivery to your home. There is no commitment to shop every week and Age UK Cambridgeshire makes no charge for this service. However, supermarket charges for delivery vary and will apply.
Enquires and orders can be taken from Monday to Friday between 9am–12.30pm on **01354 696650**.
Registered charity number: 1107589.

RESIDENTS' ASSOCIATION

Interested persons are always welcome at Residents' Association meetings. These are usually held on the first Tuesday of the month at 8 pm in the Parish Council office. Next meetings: 4th February; 4th March 2014.

If you need someone to feed your pet, regularly or occasionally, or look after your house when you go away, either with regular visits or staying, a retired non-smoking tee total single lady is happy to help.
DBS *(formerly CRB)* is up-to-date.
Reliable, trustworthy and kind.

ROYAL BRITISH LEGION

Since our last meeting in November we have sadly lost two members, Mr Norman Rolfe and Mr Mike Duce. Both were long serving Members of the Legion but, more importantly, they were really nice men that their families could be proud of.
As we are now in a New Year we would welcome new members. We meet on the 4th Thursday of each month at 8pm in the Meetings Room at the Octagon. Memberships are no longer restricted to Service or EX-serving men and women.
